

Official Name : A Chubarenla
Qualifications : M.Sc.
Teaching experience : 20 years
Specialization / area of interest : Inorganic Chemistry
Institutional email : achubarenla@kscj.ac.in

PUBLICATIONS IN REFERRED JOURNALS

- i. Withule, T Tiakaba Jamir, Phamlong L Konyak, Arenchila Kichu, Imsongmeren Imsong, Rokovikho esielie and **A Chubarenla**. A preliminary phytochemical analysis of a medicinal plant *Litsea cubeba* found in Kohima district, Nagaland , India. *Journal of Medicinal Plants Studies*. 2021: 9(1): 21-24
- ii. Vineinu Rhetso, **A Chubarenla**, Nikili K Zhimo, Neilanuo Huozha, Henwau Hentokha, Daniel Kibami. Physio-chemical analysis of waste water samples collected from the chemistry laboratory at Kohima Science College Jotsoma and Model Christian College Kohima, Nagaland, India. *ESP JETA*: 2583-2626: 3 (3) 2023, pp: 8-14.
- iii. **A Chubarenla**, Vineinu Rhetso, Nikili K Zhimo, Neilanuo Huozha, Daniel Kibami. Assessment of physio-chemical properties of ground and surface water under Chiephobozou, Kohima district, Nagalanf, India. *IJAEM*: Vol-5 (8) 2023, pp51-61.

BOOK/ CHAPTER EDITED

- i. Dr. Daniel Kibami, Vineinu Rhetso and **A Chubarenla**. Chayote a potential low-cost adsorbent for the removal of basic dye from aqueous. Integrated publication, New Delhi.
- ii. Dr. Krishna Kumar Tiwari and **A Chubarenla**. Effect of Mordant on Natural Dyes of Selected Plants, Vol-I and Vol-II. R P Publication, Delhi. (2023)

RESEARCH SUPERVISION

M,Sc. DISSERTATIONS

Sl. No.	Name of Scholar	Roll No.	Title
1	Neikehenuo	17030218	A study on change of colour of natural dyes by mordants.
2	Thejasino Kuotsu	MSCH-22/0041	Eco-friendly approach to natural dyes.
3	Mary Tep	16011244	. Chemistry of natural dyes and effects of mordants on them
